Also

We would like to call your attention to the annual **Pike County Shorthorn Breeders' Association Show and Sale, Saturday, October 29, Bowling Green, Missouri.** 110 miles west of Springfield — always a strong offering.

Transportation

Don't worry about the distance between Mason City and Springfield (about 35 miles). There will be plenty of cars.

Three who will be boosting for the success of the Leveldale Sale and the first "Best of the Midwest" sale. Left to right, L. E. Mathers, Leveldale Farms, Mason City, Illinois; Allan Atlason, of Northwood Farms, Crystal Lake, Illinois; and Hal Longley, Publisher, The Short-horn World, and manager of the two-day sale series.

Some ideas click — this is one that did.

Maybe it was because the name "Best of the Midwest" so aptly conveyed what we were trying to do. Maybe it was the opportunity of selling on the day following the Mathers sale . . . always one of the big events of the year. Anyway, something about the letter I wrote to a large group of leading breeders exploring the idea of this sale caught hold. The response was far better than my most optimistic projections. Leading breeders from seven states pledged their best productions. Nearly all who didn't have anything to sell this fall took the trouble to write back giving enthusiastic endorsement to the idea.

This will be an annual sale and it is not our objective to make it a "closed" affair. Every breeder in the Midwest who has cattle of the calibre desired for this sale will be eligible. That is why we feel the success of this first venture is important to YOU in your future marketing plans. However, in this first sale we did not think it wise to go beyond fifty or sixty entries.

Because from the outset we were not put in the position of having to beg for entries, we wrote a second letter to all who had pledged cattle. Each was told it was obvious that quality would be very high . . . and to take another hard, critical look at what they planned to sell. Some significant additions and reductions were made as a result.

We believe highlight events are necessary not only in establishing better markets for our best, but in attracting new breeders. The addition of the "Best of the Midwest" offering to the already powerful Mathers Sale will give us a two day event that no one should miss . . . some 115 lots of the best available in the nation.

This sale is a new venture designed to satisfy the buying needs of breeders who seek the best and to provide a better market for the top productions of Midwestern herds. Cooperation is needed when new promotional programs are launched. Whether you plan fall buying or not, we hope you will attend this sale and boost for its success.

Hal Longley, Sale Manager

Twice judge of the great show at Perth, Scotland; judge at the 1959 International; and of the 1960 show Palermo, Argentina, Reford W. Gardhouse, Milton, Ontario, Canada, will be the judge of the first "Best of the Midwest" show and sale. He is shown at left at Perth.

U K Baron — Is one of the outstanding sons of Beaufort Bulldozer, sire of four International champions. The dam of U K Baron was the 1957 Perth champion female. He is a strong headed, correct bull with a lot of red meat where it counts. We think enough of this bull that we are using him artificially on some of our best cows. We are selling him reserving semen rights. The new owner will have possession, but we reserve rights to use the semen collected and to collect more from him at a later date. U K Baron has a performance index of 144. Not vaccinated, herd Accredited and Certified .

Leveldale Oberon. This imported-in-dam son of Beaufort Chevalier, set the top price at auction in 1958 when he sold for \$13,200. He heads the strong K C herd. Lot 4 is a son.

The first was sold to Liscomb and White, Springfield, Tennessee. The second sold to John Shuman, Deer Trail, Colorado, the third to H. B. Johnson, Laurel Hill, Florida. They have all been good bulls and we think Ambassador is her best. Herd Accredited for T. B. and Bang's.

Reservations at Sale Headquarters . . .

The management of The Holiday Inn, Springfield, Illinois, sale headquarters, has blocked off 25 rooms for Shorthorn breeders attending this sale. These will be reserved on a first come, first serve basis.

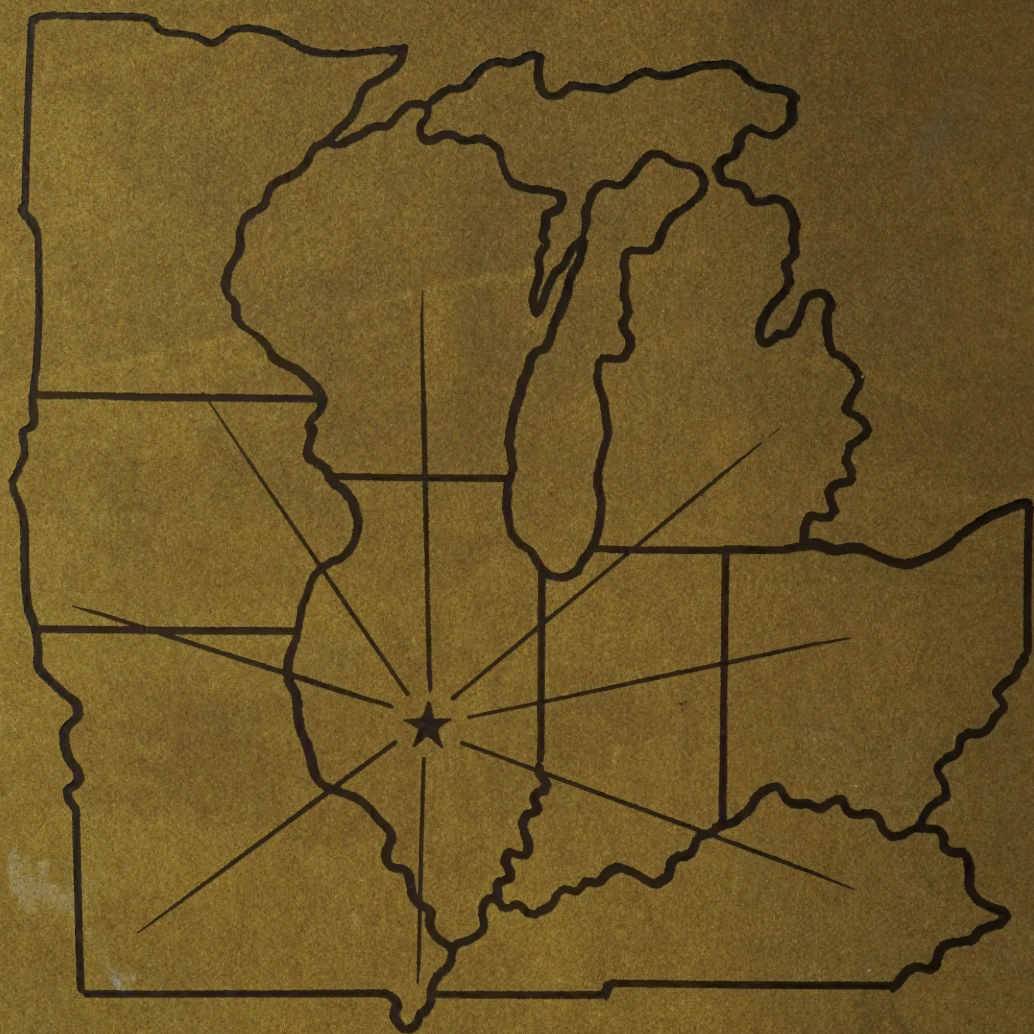

In the event this number of rooms are taken a sufficient number of days in advance of the sale, they may be able to release more rooms for our use.

Those desiring rooms should write immediately to the sale manager, Hal Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois, or to The Holiday Inn, 625 East St. Joseph Street, Springfield, Illinois, mentioning that you are a part of this Shorthorn gathering.

If the rooms are all taken by the time your request reaches us, and more rooms there are not available, we will arrange for accommodations at other good motels nearby.

When writing for reservations please specify whether you require double or single rooms and the names of the people in your party. Also, please specify your arrival time. We expect a portion of the crowd will be checking in on Sunday and going to the Mathers sale from Springfield, while others will be checking in Monday evening after the Mathers sale.

Don't forget . . . join the group for a delicious buffet dinner and get-together at The Holiday Inn, the evening of Monday, October 31. Dinner will be served at 7:30 p.m. and the cost will be three dollars per person. It will be preceded by a half hour social hour the courtesy of the "Best of the Midwest" sale consignors.
